

Call for Abstracts

The Brain Injury Association of London and Region **25th Annual Brain Injury Conference** Friday June 10th, 2022

We are inviting researchers, professionals, ABI survivors and caregivers to submit abstracts for 30, 60 and 90 minute presentations.

Presentation topics could include, but are not limited to:

ABI research and new developments, novel therapy interventions, approaches and programs, health and wellness, survivor and caregiver stories and experiences, technology, pediatrics, return to school and work.

Deadline to submit February 1st, 2022

Please note: We are planning to host our event in person but may need to switch to a virtual platform depending on restrictions in 2022.

Please include your preference:

- Presenting in person
- Presenting virtually
- Comfortable with either

Abstracts will be reviewed by the Conference Committee.

You will be notified only if you have been selected.

Please email your completed abstract and presentation preference to:

Stephanie McGill at admin@braininjurylondon.on.ca
